

# SELF DRIVE THROUGH THE FOREST

## MORNING

Pack a picnic lunch and fuel up the car, as we are off on a scenic drive through the jarrah forest and along the Collie River. Starting west of Collie along Coalfields Hwy, take a left turn onto Scenic Drive, where you will find stunning views of the forest, river and some rapids. Continue on until you hit Mungalup Road and turn right. Take a leisurely drive through the forest to check out the biggest jarrah of them all, known as the King Jarrah. Make a loop back to Falcon Road to then start the next scenic route known as Lennard Drive, where you will be driving deep within the valley, under the canopy of the forest.

## LUNCH

Park up at the first destination along Lennard Drive called the Rapids. Walk down a path just past the toilet block, this will lead you to a little secluded picnic area under the trees. With a few picnic tables dotted around, it's time to eat.

## AFTERNOON

Continue along Lennard Drive to the next destination which is Big Rock. The water here pours over the huge granite floor which rises up out of the water, creating peaceful pools. A little further down the road, is Little Rock, it's quite similar to Big Rock but the sloping granite banks are much gentler. Onto the last destination along Lennard Drive, you will find the little hidden oasis known as Long Pool, offering stunning views with the still water showcasing beautiful reflections of the surrounding peppermint trees. Finish the scenic drive off at Honeymoon Pool, a shady campsite with river views, mossy trees and plenty of fungi varieties to be found.

## EVENING

Head back into town to pick up some locally made wood fired pizzas at the Steere Street Deli before heading back to your chosen accommodation to enjoy and relax.  
Located at 178 Steere St Nth. Ph (08) 9734 5747

## INFO

Looking to buy some takeaway picnic meals, Sizzles Deli at 39 Throssell Street will have you covered. Ph (08) 9734 2575
